

Labs and Vitals

This sections contains **ALL** of the lab results in your electronic medical record, as well as the following vital signs:

- Height
- Weight
- BMI
- Blood Pressure
- Oxygen Data

These items will be available in your Portal immediately after they post to your electronic medical record.

PLEASE NOTE: Scanned lab results will show under the "Clinical Notes" section of your Portal.

If you believe any data is incorrect, please contact Medical Records at **865-305-6150** or email **patientportal@utmck.edu**.
